Field Trip Reservation Instructions

Visit www.akronzoo.org to fill out a Field Trip Reservation Form. Once your trip is scheduled, you will receive a field trip invoice. Return the completed invoice with full payment. We do not accept deposits for field trip admission tickets.

The zoo does not accept purchase orders as a form of payment. Allow sufficient time for the zoo to receive your payment by the day of your visit.

The zoo accepts MasterCard, Visa and Discover. If paying by check, send only one check. Multiple checks will not be processed. Cash is accepted (no coins).

Picnic Areas

Picnic areas are available on a first-come first-serve basis. Monday-Friday in May, a limited number of picnic areas are available for school groups to rent for \$75. All picnic areas must be scheduled in advance. Payments are due at least 1 week before your visit date.

If your group brings a packed lunch to the zoo, you may leave them on the bus or bring them into the park. The zoo does not provide carts, wagons or transportation for any group's lunches. The zoo is not responsible for storing nor protecting items brought into the park.

Parking

All bus parking is on a first-come basis and spaces are not guaranteed. Please have a backup plan in place in case our bus parking lot is full.

All parent/chaperone cars will be charged the \$3.00 parking fee. Parking fees must be paid, by the parent/chaperone, at the ticket counter on the day of your visit. Parking passes will not be issued in advance for parent vehicles.

Park Rules

Students must be accompanied by an adult at all times. We recommend one chaperone with every five students.

Lost children should be immediately reported to an Akron Zoo Staff Member.

Stay on the path. Keep out of animal enclosures, flowers and fountains.
