**Each dog must be accompanied by a designated adult.** Your dog can visit most areas of the zoo with a couple exceptions. **The paths will be marked** and there will be staff/volunteers in the restricted areas if you have any questions. **Please view the event map for more details.**

Dogs must remain under their human control and not behave in an aggressive or disruptive manner. Excessive agitation of zoo animals or guests because of barking or other behavior will not be tolerated.

Poop bags will be given at the door. Poop is the owner's responsibility to clean.

Please provide enough spacing between your dog and others while walking the park.
