

As **Santa Paws** enters the zoo,  
she notices a group of penguins  
playing and swimming in the water.

She asks them, "Have you seen my family?"

The penguins tell her, "They were  
on their way to see **Mr. Alpaca**"

As a thank you, **Santa Paws** gifts  
the penguins with bubbles to play with.

**Santa Paws** arrives to find  
**Mr. Alpaca** and **Mr. Condor**  
discussing their favorite holiday  
traditions. **Santa Paws** asks  
**Mr. Alpaca**, “Have you seen  
my mom and dad?”

**Mr. Alpaca** replies,  
“Didn’t you hear? Your mom  
and dad went to visit  
**Mr. Snow Leopard!**”

As a thank you, **Santa Paws**  
reaches into her magical bag and  
gifts them with some festive hats.

**Santa Paws** finds  
**Mr. Snow Leopard** painting  
a picture on top of his rock.

**Santa Paws** asks  
“Have you seen my family?”

“Yes, I just saw them walking up to  
**Grizzly Ridge!**” exclaims  
**Mr. Snow Leopard**.

As a thank you, **Santa Paws**  
gives him some new art supplies  
to help finish his painting.

On her way up to Grizzly Ridge,  
**Santa Paws** runs into  
**Sgt. Bald Eagle**.

“Have you seen my mom and dad?”

“Yes ma’am! I saw them run by  
on their way up to the Otters!”  
answers **Sgt. Bald Eagle**.

Before heading to the Otters,  
**Santa Paws** gifts  
him a toy plane.

Up in Grizzly Ridge, the **otters** want  
to play with the **grizzly bears**,  
but the **bears** just want to sleep.

**Santa Paws** asks,  
“Have you seen my family?”

“We heard they wanted to ride the  
train!” replies the **otters**.

**Santa Paws** plays with the  
**otters** as a way to say thanks!

over at the Boma, the **goats** are running behind on cooking holiday dinner for the passengers on the train.

“Hello! Have you seen my mom and dad?” asks **Santa Paws**.

“Yes, they just took the train to see Grandpa Lion! We can take you, but can you help us finish cooking first?” asks the **goats**.

**Santa Paws** helps cook a delicious meal before heading to the **lions**.

“Hello! Have you seen two  
red pandas around here?”  
**Santa Paws** asks the **lions**.

“Why yes, I have! They were  
on their way to **Wild Asia**.  
Before you go, can you help  
me brush my mane?”  
**Grandpa Lion** replies.

**Santa Paws** reaches into  
her magic bag of goodies and  
pulls out a hairbrush.

After a long journey, **Santa Paws** arrives at **Wild Asia** to find her parents resting in a tree. She rushes over to give them a hug, but quickly realizes she gifted all the presents in her bag to the other animals in the zoo.

**“That’s okay,”** says her mother. **“You are the only gift we need!”**
